A master of the craft... the magic was as mind-boggling as anything I have witnessed in the Las Vegas magic venues. We highly recommend Clinton W. Gray as a skilled and enjoyable entertainer, a professional businessman, and a heck of a nice guy!

The quality of your performance exceeded all our expectations. You have the ability to judge the audience, supply the appropriate performance and completely interact with the crowd. We talked to several people after the show and everyone loved it.

Mayor Robert H. Baird- City of Merritt

This show is 100% interactive. We only paid \$1,000 and Clinton W. Gray delivered 475 entertainers (the audience) to our event!

Bill Jackson- Director: The Sunset Group, California

I have curled in many, many bonspiel playdowns across Canada and have seen a great deal of entertainers at these events. Your show is the finest I have ever seen! I have never written to a performer before, so it shows that YOU made an everlasting impression on me. Whenever I organize a function, Clinton W. Gray will be my first choice.

Clinton completely captured the interest and attention of our weary-eyed corporate audience. His choice of the many audience volunteers only helped to enhance the overall experience. A wonderful performance even with the NHL interruptions. (a reference to the Canuck Game 7 semifinal which was on the same night as our banquet... Mr. Gray handled it like a pro!)

Wendy Fiala, Zone Bankers Conference Organizer: ScotiaBank
